“There’s No Place Like Home” FIVE FREE CITY WIDE SEMINARS

Are you a community leader that believes “there’s no place like home” from THE WIZARD OF OZ, one of the best-known stories in American pop culture? Did you know that new legislation has recently been passed that directly impacts all community associations in Texas? The rules have changed. That’s right Toto, “we’re not in Kansas anymore”.

An expert in this field, C.I.A. Services, is hosting five FREE seminars throughout the Houston area to help community leaders and management professionals understand exactly how this new legislation affects both you and your association. The seminars will present the new laws from a practical standpoint and provide the tools needed to comply with the laws. You’ll leave with sample guidelines, policies, letters and other materials that have been expertly prepared for your immediate use.

Join us at one of our seminars between August 23 and September 1 at a location convenient to you. These C.I.A. Services seminars will be anything but boring with a Wizard of Oz theme! Socialize with other community leaders, enjoy snacks and learn what you need to know about the new laws. And just by attending, you will qualify to win \$1,000 in door prizes at each event!
